

### What Canadians need to know about their medications: A national stakeholder round table

**April 20<sup>th</sup>, 2017 - 9:00AM to 12:15PM - Élisabeth-Bruyère Hospital  
43 Bruyere St., Jardin Gilberte-Paquette, 6th floor or via Webinar**

This event will highlight the medication information needs of Canadians, with a presentation of currently available resources in Canada and abroad, as well as a **keynote address from Chris Power, CEO of the Canadian Patient Safety Institute (CPSI)**

#### **Part 1 (9:00 AM-10:45 AM): Currently available medication information resources**

Presentations from representatives of:

- Health Canada
- CPhA E-therapeutics/RxTx
- DynaMed Plus/Micromedex
- RxFiles
- Vigilance Santé

#### **Part 2 (11:15 AM-12:15 PM): Keynote Address - Chris Power, CEO of CPSI**

The mission of the CPSI is to inspire extraordinary improvement in patient safety and quality.

In her address, Chris will discuss:

- The importance of medication information that is accessible to clinicians and the public
- International models and examples
