

## Global Age With Rights Campaign

As a lead up to the UN Open Ended Working Group 14th Session meetings being held in New York May 20-24th, 2024 (and virtually).

We encourage all of our member organizations to take some time to learn little more about this initiative.

Further, should you find the time to connect with this Global Action Campaign, a unique event will take place from April 8th to 14th, 2024 - A Global Rally to send our message to governments convening in May at the UN OEWG, Open Ended Working Group on Ageing. **"Its time to start drafting a convention on the rights of older people."**

The Global Rally will consist of a series of unique campaign actions in different time zones over this week-long period. #AgeWithRights social media tags appreciated.

Finally, The Global Rally Summit will be held virtually on 11 April from 9.00am to 10.15am EDT, register [here](#) to attend a lively discussion about older people's rights and the progress towards a new UN convention! We can all do some small part to make a difference in this important message for government action.

Thank you for your advocacy!
