

Media Alert: CRTC Telecom Sales Practices Hearing – TODAY, PIAC to Appear as Part of Fair Communications Sales Coalition

OTTAWA – Today, the Public Interest Advocacy Centre (PIAC) will appear today to present oral arguments before the CRTC hearing into the sales practices of major telecommunications service providers as part of the Fair Communications Sales Coalition (FCSC), a coalition of consumer, seniors and low-income public interest groups.

The Public Interest Advocacy Centre (PIAC), ACORN Canada (ACORN), National Pensioners Federation (NPF) and CARP (formerly the Canadian Association of Retired Persons) – will argue for stronger protections for consumers to protect from misleading, aggressive and unsuitable sales of Internet, telephone, cellphone and paid TV services to Canadians.

Members of the coalition will be available after the FCSC's presentation for media interviews.
