

Ontario Health Coalition

Annual Locally-Grown Garlic Sale

The Ontario Health Coalition works to improve our provincial public health care system. We are committed to saving local health care services, stopping cuts and privatization and keeping our community hospitals vibrant.

Every year, up until the pandemic, we have done an annual Ontario-grown garlic fundraiser. What we are asking people to do is to go around your workplace or community group and collect orders and the money to pay for them and send them in to us.

By ordering garlic with us, you are supporting this vital work. You are also supporting local Stratford-area farmers by purchasing fresh, Ontario-grown garlic.

To place an order:

- Please distribute this form in your office or among your friends.
- Please fill out the attached order sheet and submit orders with cash or cheque.
- You can also send an e-transfer to admin@ontariohc.ca; write "garlic" in the message
- You can also pay by PayPal (credit card) online at the OHC store: <http://store.ontariohealthcoalition.ca/collections/all>
- Please make cheques out to:
Ontario Health Coalition
15 Gervais Drive, Suite 201
Toronto, ON M3C 1Y8
- Deadline: Please send your orders **as soon as possible**. Orders will only be made if the garlic is paid for.

NOTE: For community members across the province, we will arrange delivery to our existing local coalitions and will ask people to pick up their garlic or make arrangements with your local coalition.

HOW TO ORDER: Print multiple sheets of the next page and walk through your office/organization. Ask people to fill in their orders and send them in to us as soon as possible! **Garlic orders will be shipped and delivered in early September.**

There are two options for ordering our garlic. The white "Music" garlic is organic, while the gourmet variety is a mix of various kinds of heirloom garlic. You can order a mixed variety bag (#1), or a bag of "Music" Garlic (#2).
